

Dear Classroom Teacher,

Scouting can help you. Students who are involved in Scouting learn discipline, respect for authority, and goal-setting skills. National surveys show that students who are Scouts cause less discipline problems for their teachers than non-Scouts.

Please distribute these flyers to the students in your class today. This flyer is meant to be an early notification to parents about our upcoming opportunities for families to join Scouting.

In the coming weeks, a Scouting representative will visit the school and speak to your students. If you have extra flyers, please post them in your classroom.

Thank you for supporting these efforts. Together, we will make a difference.

Sincerely,

A handwritten signature in black ink that reads "Doug Brown, Jr." in a cursive style.

Doug Brown

Vice President of Growth and Engagement
