

CROSSROADS
OF AMERICA COUNCIL
BOY SCOUTS OF AMERICA®

Dear School Office Manager or Teacher,

I want to personally thank you for your assistance in distributing these flyers to the boys and girls in your school. **These particular flyers help promote the Cub Scout Sign-Up Night that is associated with your elementary school.**

As you may already know, the Cub Scout program is designed for boys and girls in Kindergarten through 5th grade. Much like your classroom, our program also puts a great deal of focus and attention on essential core values such as **character development, citizenship training, and physical/mental fitness.** Together, we hope to instill these core values in an effort to help youth reach their full potential.

Thanks again for your own efforts in making a difference in the lives of the students you serve! If you have any questions, or need anything at all, please feel free to contact me. Thanks for your help in getting these flyers to the students in your school through each teacher's distribution methods. Your help is greatly appreciated!

Sincerely,

Doug Brown
