

CROSSROADS
OF AMERICA COUNCIL
BOY SCOUTS OF AMERICA®

Due to upcoming program changes, Crossroads Outfitters will carry a limited stock of items set to be retired by the end of May. We are happy to facilitate orders for retiring items, pending national supply availability. Pre-payment may be required, as these items won't be returnable. Starting April 1, we won't accept returns on retiring items. Units are urged to review current inventories and plan for needed awards through May's end. While we expect to fulfill retired awards until May, restocking is impossible once supplier stocks are depleted. Please know the April 1 return deadline for the listed retiring items.
