

As a part of our efforts to reach out to the young students, we are excited to share our Cub Scout joining flyers with your students. We kindly request your support in distributing these flyers to the grades K-5 teachers so they may pass them on to each student (both boys and girls).

Cub Scouting is a program designed to build character, teach citizenship, and develop personal fitness in children. We aim to provide a fun and educational environment where boys and girls can learn new skills, make friends, and become responsible young individuals. Our upcoming joining event is a wonderful opportunity for families to learn more about the program and participate in their community.

We greatly appreciate the time and effort your teachers will invest in ensuring that each student receives a flyer. Your support in this endeavor is invaluable, as it helps us reach more families and provide enriching Scouting experiences.

Thank you for your continued partnership and for helping us positively impact the lives of young people in our community. If you have any questions or need additional information, please contact Jim Boksa at (317) 813-7127 or jim.boksa@crossroadsbsa.org.
