

We welcome your unit to participate in this year's 7th Anniversary of Good Turn for Nature. This is a great way to get Scouts outside to learn about the importance of caring for nature and engaging them directly in acts of conservation.

## OPPORTUNITIES TO HELP

There are several projects at parks, nature centers or natural areas that need help. Service projects may include: Trail maintenance, tree planting, invasive species removal, bird identification, trash cleanup and more!

Scan the QR code below to see the parks that need your support.

## STATE PARK CAMPOUT OPTIONAL

This campout opportunity is for Scouts BSA Units of 10+ people who complete a Good Turn for Nature service project with a minimum of 4 work hours. The unit will receive a 'pay one night, get one night free' camping trip at the host site where the service project is conducted.

*In Partnership with Indiana DNR, select state parks are offering this option.*
