

BOY SCOUTS OF AMERICA®

The mission of Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

SCOUT OATH

On my honor, I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.

SCOUT LAW

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

SCOUTING PROGRAMS

Cub Scouting

Scouts BSA

Scouts participate in camping trips, rank advancements, and community service projects, building lifelong skills and friendships along the way.

Venturing

Exploring

Popcorn Fundraiser

Each fall, Scouts across the nation participate in a fun fundraiser – the popcorn sale! Partnering with Trail's End, this sale helps fund exciting activities, badges, and even summer camp for your Scout! Plus, a portion of your sales goes directly back to your Pack, reducing overall costs for your family throughout the year. It's a win-win! Over 73% of every purchase benefits Scouting in our community, so you'll be helping all Scouts in central Indiana thrive.

Pinewood Derby®

An annual parent-child project where you can design and build a race car from a block of wood. Cub Scouts learn the valuable lesson of sportsmanship by racing their cars on a gravity track against their fellow Scouts. After participating in your pack's race, Scouts can also race at a regional event held by some districts.

Blue and Gold Banquet

These are a "birthday party" for Scouting in the Spring, as Packs hold an annual family celebration. Often, Scouts receive their rank advancements at this event.

Good Turn for Nature

During this Fall service project, Scouts participate in outdoor activities at multiple sites across central Indiana, learning about the importance of caring for nature while having fun and giving back to their communities.

Summer Camp

Unforgettable summer adventures await your Cub Scout with Crossroads of America Council! Day camps like Cub Scout Day Camp or Discovery Day Camp offer archery, STEM, and new friends. Regional Day Camps provide variety across the Council. Family Camp creates memories for the whole family, while Arrow of Light Camp prepares graduating Scouts for Scouts BSA. Find the perfect summer adventure for your Cub Scout to explore, learn, and grow! Finances should never be a reason for a Scout not to attend camp. Crossroads of America Council offers a campership program where recipients can receive up to 50% off the early discount fee in exchange for performing an age-appropriate service project.

Scouting for Food

One of the ways Cub Scouts give back to the community is through Scouting for Food. This is a service project held in the Spring where Scouts collect donations of non-perishable food items to help local families in need. It's a fantastic opportunity for your Scout to learn about helping others and make a real difference! Typically, it involves collecting donations from neighbors or dropping off food at a designated location. It's a simple act of kindness that has a big impact!
